Safety Bath Walk-In Bathtub (A19060) Pre-Installation Questionnaire:

When placing your order for the Safety Bath Walk-In Bathtub, we will need to collect the following information from you.

1. Door swing side (right or left hand side)
2. Do you have a stretch bathtub (5" longer than a standard 60" x 30" bathtub)? Please note there is an additional charge of \$500 for this option.
3. Do you require a finishing skirt? A finishing skirt is a molded wall and flooring piece that covers the remaining area where your bathtub was removed. Please note there is an additional charge of \$400 for this option.
4. Will the item be installed on a concrete slab or on a wooden floor?

Customer name: _____

Order number: _____

Daytime phone number: _____

Please email this completed questionnaire to
