

Extrasorbs ES 350

Strength, Dryness & Absorbency All in One

Do your underpads stack up?

The new Extrasorbs ES 350:

- Pulls moisture away from skin and is air permeable without allowing fluid strikethrough
- Can move, lift and re-position up to 350lbs
- Manages multiple voids up to 1000 ml
- Remains dry-to-the-touch with a super-absorbent, ultra-thin core

Extrasorbs ES 350—the one pad solution for dryness, comfort and positioning

Extrasorbs ES 350 has an advanced super-absorbent core that pulls moisture away from the skin without bulging or breaking apart. The extra strength, air permeable backing allows air to pass through without fluid strikethrough.

Item Number	Size	Packaging
EXTSB2336A350	23" x 36" (58cm x 91cm)	70/cs, 10/bg
