

# NEARLY ME®

## MASTECTOMY PRODUCTS

*HELPING WOMEN  
LOOK & FEEL  
BEAUTIFUL AGAIN  
AFTER BREAST  
SURGERY*

Products have been on the market for over 35 years and remain one of the leading brands in the U.S. and around the world. Made with unique, exclusive U.S.A. materials and manufactured in the U.S.A., we are proud of our heritage of innovation and product improvement. We continue to add new breast forms and bra styles to meet the changing needs of today's mastectomees.

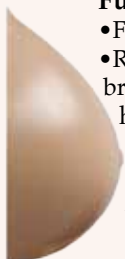

NEARLY ME® breast forms come in several shapes, weights and softnesses to help you match your customer's natural breast as closely as possible. Because of these variations, we have created distinctive form "profiles" in our symmetrical triangle and symmetrical oval forms to help in the fitting process selection. Reference these styles and their recommended profiles when determining a form style for your customer:

Ruth Handler, creator of the BARBIE® Doll, former CEO of Mattel Corporation, double mastectomee and originator of the NEARLY ME® Brand.

#### Full forms...

- Full at the top and bottom
- Recommended for a full breasted woman who has had a modified radical or radical surgery and whose natural breast is firmer and round.

#### Semi-full & Tapered forms...

- Full at the bottom
- Recommended for an average breasted woman who has had simple or modified radical surgery and whose natural breast is soft and round.

#### Modified forms...

- Shallow in total depth and do not add a lot of projection.
- Recommended for women who have more remaining tissue under the arm or on the front of the chest after surgery, or who have small rounded natural breasts.

#### Back profiles...

- A Curved Back is found on many triangle and classic style forms. These forms contour to the chest wall and rib cage and lay close to the chest for a secure and natural fit.

- A Flat Back with a slight concavity in the middle is found on the oval, butterfly and certain triangle style forms. This back works well for flat surgical surfaces or where the surgical site does not curve under the arm.

#### Also consider:

- The softness, the weight and drape of the remaining natural breast.
- The remaining natural tissue left on the surgical side.
- The type of surgery that the woman has had.

*Remember, fitting a prosthesis is "more art than science" and the ultimate goal is to match the remaining breast as closely as possible.*

## Prostheses Fitting Guide:

All numerically sized breast forms are easy to fit. Use the following Fitting Guide to help choose an initial size for your customer. The size of the form is dependent on the measured bra size but the indicated sizes are ONLY A GUIDELINE.

Cup Size	32	34	36	38	40	42	44	46	48	50
A	1	2	3	4	5	6	7	8	9	10
B	2	3	4	5	6	7	8	9	10	11
C	3	4	5	6	7	8	9	10	11	12
D	4	5	6	7	8	9	10	11	12	13
DD	5	6	7	8	9	10	11	12	13	14

\*The SO-SOFT® Classic and the NEARLY ME CASUAL® Classic asymmetrical forms are sized by bra sizes, ie. 34B, 36C etc. Again the bra size is ONLY A GUIDELINE and depends on remaining tissue. See price list for exact sizes.

# NEARLY ME LITES® Lightweight Forms

- 6 great styles to fit all figures and surgeries
- 25% lighter in weight than standard silicone
- New thin highly resilient matte outer film for a natural look and feel
- New softer silicone gel shapes to the body and bra
- Symmetrical shapes fit both sides of the body
- Available in beige & soft sable skin tones (soft sable special order only)
- Optional cloth cover included with each
- 2 year warranty against manufacturing defects
- Made in the U.S.A.

**NEW and IMPROVED!**

## #245 Full Oval

- Can be turned in different directions for best fit
- Broad oval shape with short wide wing
- Full projection profile at center
- Flat back yet slightly concave
- Sizes 1-10

## #265 Full Triangle

- For a rounder, fuller figure and sits lower on the chest
- Broad triangle shape with shorter full upper wing
- Full projection profile at centered nipple
- Curved back to hug the chest wall
- Sizes 1-12

## #385 Semi-full Triangle

- Most popular triangle shape extends higher on the chest wall.
- Wider based triangle with longer upper wing
- Semi-full projection with lower nipple apex and tapered wing
- Flat back yet slightly concave
- Sizes 1-14

## #765 Modified Triangle

- Modified to fit over more remaining natural tissue
- Broad triangle base with shorter upper wing
- Modified depth gives shallow projection
- Curved back to hug chest wall
- Sizes 1-12

## #775 Tapered Oval

- Shallow fill under the arm or up on the chest wall
- Elongated oval shape
- Modified projection with a thin tapered wing
- Flat back yet slightly concave
- Sizes 1-14

## #785 Tapered Triangle

- Mimics an older, larger draping natural breast
- Broad triangle base with short tapered upper wing
- Full projection at lower nipple apex
- Curved back hugs the chest wall
- Sizes 1-12

## FULL SILICONE BREAST FORMS

### NEARLY ME® Extra Lightweight Forms with Flowable Gel Backs

- Best forms for uneven chest walls to give a customized personal fit
- 30% lighter in weight than standard silicone
- New thin highly resilient matte outer film for a natural look and feel
- New softer extra lightweight silicone gel front with clear flowable gel back that flows to fill cavities and mold to the chest wall
- Symmetrical shapes fit both sides of the body
- Available in beige & soft sable skin tones (soft sable special order only)
- Optional cloth cover included with each
- 2 year warranty against manufacturing defects
- Made in the U.S.A.

**NEW and  
IMPROVED!**

#### #355 Butterfly Flowback

- 2 equal wings can give an asymmetrical fit when specifically needed
- Can be turned in different directions for best fit
- Semi-full Butterfly with short full wings
- Modified projection with centered nipple
- Sizes 1-10

#### #365 Full Oval Flowback

- Can be turned in different directions for best fit.
- Broad oval shape with short wide wing
- Full projection profile at centered nipple
- Sizes 1-10

#### #375 Triangle Flowback

- Most popular triangle shape extends higher on the chest wall
- Wider based triangle with longer upper wing
- Semi-full projection with lower nipple apex and tapered wing
- Sizes 1-14

### NEARLY ME® Semi-full Triangle Forms

- Most popular triangle shape for the average more mature figure
- Semi-full triangle with extended tapered upper wing fills space higher on chest wall
- Wider base than the curved back triangles
- Lower nipple apex matches drape of more mature natural breast tissue
- Standard weight and extra lightweight (35% lighter)
- Symmetrical shape fits both sides of the body
- Available in beige & soft sable skin tones (soft sable special order only)
- Optional cloth cover included in each
- 2 year warranty against manufacturing defects
- Made in the U.S.A.

#### #370, #390 and #395 Semi-full Triangles

- #370 Standard weight is the closest weight to natural tissue
- #390 Standard weight with internal silicone nipple
- #395 Extra lightweight "whipped" silicone is 35% lighter in weight than standard gel
- Sizes:
  - #370 1-14
  - #390 1-12
  - #395 1-16

# NEARLY ME BASIC® Modified Forms in 3 styles & 2 weights

- Economical alternative for women on a budget
- 3 great styles and 2 weights to fit all figures and modified surgeries
- Available in standard weight and extra lightweight (35% lighter) “whipped” silicone
- Highly durable outer polyurethane film offers long lasting wear
- Available in beige & soft sable skin tones (soft sable special order only)
- Optional cloth cover included with each
- 2 year warranty against manufacturing defects
- Made in the U.S.A.

## #830 & #835 Tapered Classic

- #830 Standard weight gel
- #835 Extra lightweight gel
- Asymmetrical, rights and lefts
- Shaped like a bra cup for the right or left side
- Semi-full projection with tapered top and side wings with lower nipple apex
- Curved back to hug the chest wall
- Sizes 1-10, rights and lefts

## #860 & #865 Modified Triangle

- #860 Standard weight gel
- #865 Extra lightweight gel
- Symmetrical, fits either side of the body
- Broad triangle base with shorter upper wing
- Modified triangle shape to fit over remaining natural tissue
- Shallow projection with modified short wing
- Curved back to hug the chest wall
- Sizes 1-12

## #870 & #875 Modified Tapered Oval

- #870 Standard weight gel
- #875 Extra lightweight gel
- Can be turned in different directions for best fit
- Elongated oval shape
- Modified projection with a thin tapered wing.
- Flat back yet slightly concave
- Sizes 1-14

# NEARLY ME® Equalizers, Shells and Partial Forms

- 3 distinctive partial form styles for a variety of conservative surgeries like segmentals, lumpectomies or uneven reconstruction
- Standard silicone only in beige skin tones
- 2 year warranty against manufacturing defects
- Each style is symmetrical
- Made in the U.S.A.

## #250 & #251 Triangles

- Thin, triangular partial form and shell fits over remaining tissue to help fill out the breast
- #250 - thin with a tapered concave back
- #251 - extra thin with a very concave back
- Concave and very concave
- Sizes: #250 sz 1-10, #251 sz 3-10

## #270 Oval

- Can be placed anywhere around the chest area where fill is needed
- Rounded oval shape
- Tapered concave back
- Thin tapered domed shell
- Sizes 1-6

## #290 Fill Insert

- Partial form to fill in around or under breast after lumpectomy or segmental surgery
- Tapered pushup shape
- Rounded front
- Sizes 1-3

## SPECIAL ORDER SILICONE BREAST FORMS

### NEARLY ME® So-Soft® Full Forms in Standard Weight

- 3 full styles fill chest area when more tissue has been removed
- Standard weight silicone closely matches the weight of natural tissue and can help balance the body
- Smooth front design allows forms to be positioned for a personalized fit
- Available in beige & soft sable skin tones
- Both colors are special order only
- Optional cloth cover included with each
- 2 year warranty against manufacturing defects
- Made in the U.S.A.

#### #230 Full Classic

- Asymmetrical, specifically rights & lefts
- Classic with short underarm and upper chest wings
- Full projection with smooth front styling
- Curved back to hug the chest wall
- Sizes: 30A-42DD (bra sizes)

#### #240 Full Oval

- Symmetrical, fits either side of the body
- Broad oval shape with short wide wing
- Full projection with smooth front styling
- Flat back yet slightly concave
- Sizes: 1-10

#### #260 Full Triangle

- Symmetrical, fits either side of the body
- Broad triangle shape with shorter full upper wing
- Full projection with smooth front styling
- Curved back to hug the chest wall
- Sizes: 1-12

### NEARLY ME® FREESTYLE® Athletic Forms

- 3 symmetrical styles to fit in any swimsuit
- Standard weight silicone closely matches the weight of natural tissue to help balance the body
- Clear silicone only
- All styles are special order only
- 1 year warranty against manufacturing defects
- Made in the U.S.A.

#### #320 Modified Oval

- Modified oval shape fits well into swimsuit cups.
- Rounded modified oval with no upper wing
- Full projection at center nipple
- Flat back yet slightly concave to reduce weight and improves fit.
- Sizes 1-10

#### #360 Full Triangle

- Full triangle shape works well in full cup swim suits.
- Broad triangle shape with shorter full upper wing
- Full projection profile at centered nipple
- Curved back to hug chest wall
- Tapered concave back to reduce weight
- Sizes 1-10

#### #380 Semi-full Triangle

- Fits well in tank type swim suits
- Semi-full triangle with extended tapered upper wing fills space higher on chest wall
- Modified with lower nipple apex
- Back: Flat yet slightly concave
- Sizes 1-12

## NEARLY ME CASUAL® Foam Breast Forms

- 4 styles of after surgery foam forms that are companion forms to our standard silicone forms
- Wear for after surgery, relaxing, during various athletic activities, swimming or sleeping
- Made of soft polyurethane foam and covered in a smooth polyester fabric that doesn't snag or shrink after washing
- Washable, reusable and extremely durable
- Weighted styles have metal pellet cores
- 3 styles come with security tabs that can be permanently sewn into nightgowns or swim suits
- Available in beige skin tone only
- 3 styles are available in weighted and non-weighted versions
- Made in the U.S.A.

### #400 Triangle

- Non-weighted only
- Companion shape to the Semi-full triangle style
- Sizes 1-12
- Security tab on each

### #410 & #550 Asymmetrical Classic

- #410 non-weighted in 16 bra sizes, 32A-42D.
- #550 weighted in sizes 1-8
- Security tab on each

### #420 & #560 Modified Triangle

- #420 non-weighted in sizes 1-12
- #560 weighted in sizes 1-12
- Security tab on each

### #430 & #570 Standard Oval

- #430 non-weighted in sizes 1-12
- #570 weighted in sizes 1-12.

## NEARLY ME® After Surgery Camisole

- Cotton/spandex for breathability and flexible support
- Hidden built-in polyester bust liner helps wick away perspiration
- Hidden pockets hold lightweight forms or fiberfill "puffs" for shaping
- Wide elastic underband holds bust liner in place
- Hidden drain tube pouch
- Flat outer princess seams for a smooth fit under any outer garment
- Fiberfill puffs sold separately to individualize fit to each customer
- White only
- Sizes small-3X
- Made in the U.S.A.

### After Surgery Discharge Kit

- Pre-selected mix of products for right after breast surgery
- Kit includes the NEARLY ME® Camisole and Leisure Bra, RETOUCH® Silicone Scar Reduction Sheeting and a NEARLY ME CASUAL® Modified Foam Triangle
- Camisole, bra and the foam triangle are sized small-3X

**CREDIT TERMS:** Standard payment terms with approved credit are NET 30 DAYS from invoice date. All merchandise shipped is invoiced on the date of shipment.

**SPECIAL TERMS:** May be available on introductory offers and special promotions. These should be discussed with your Sales Representative.

**DISCOUNTS:** If offered, will be indicated on the invoice and calculated from the INVOICE DATE. Discounts taken from the receiving date cannot be honored and will be charged back to your account.

**FINANCE CHARGES:** A 2% finance charge is applied to any overdue balance on a monthly basis.

**CONSIGNMENT:** We do not offer consignment terms on any of our products or in conjunction with any special or seasonal promotions.

**PREPAYMENT/COD:** Customers purchasing on COD or check-with-order basis must pay by cashiers check, money order or credit card. Any freight or handling charges assessed by carrier will be included in the total. Nearly Me Technologies, LLC. (NMT) does not accept COD refusals.

**PURCHASE ORDERS:** Any statement contained on any purchase order or similar document that is not specifically approved or acknowledged by NMT will not be considered as part of the agreement between the parties.

All purchasers shall furnish a TAX EXEMPTION or RESALE CERTIFICATE to NMT as directed by Multistate Tax Commission regulations. Future purchases may be delayed if this information is not furnished within 10 days of your opening order.

Please direct any questions concerning your account status to our Accounting Department. For inquiries concerning orders or shipments, please contact our Customer Service Department. You may reach either at 800-887-3370. Our business hours are: Monday - Friday, 8 a.m. - 5 p.m., CST.

**GENERAL SHIPMENT POLICY & PROCEDURE:** Please examine container(s) on receipt. Note any damage on the delivery bill and

have the driver sign it and acknowledge the damage. Contact NMT Customer Service Department to arrange for shipment of replacement merchandise.

All merchandise has been inspected prior to shipment; however, if you find shipping damage that was not obvious upon receipt or error in product received, call your Customer Service Representative at 800-887-3370. All claims for damage and shortage (container lost in transit) **MUST BE MADE WITHIN 15 DAYS FROM DATE OF SHIPMENT.** If you have any questions, call our Customer Service Dept.

**GENERAL EXCHANGE POLICY & PROCEDURE:** NMT has an authorized exchange policy of 60 days. Any authorized exchange, unless product has been shipped in error or is a defective product, will be charged a 15% restocking fee if returned within 60 days from ship date. Any unauthorized return will be charged a 50% restocking fee if returned within 60 days from ship date. NMT accepts no returns, authorized or unauthorized, after 60 days unless it is a defective product.

All returns initially must be pre-paid. If the item was shipped in error by NMT, or is defective product, your account will be credited for the return postage/freight. Exchange Authorization Numbers must be clearly marked on the outside of all packages.

For an Exchange Authorization Number call Customer Service (800-887-3370) or fax (254-662-1761). Have available: the date of purchase, invoice number, and the reason you wish to return the item. Discontinued product cannot be returned.

No refund checks will be issued, merchandise credit ONLY. All product remains the property of NMT until invoice is paid in full.

**Special Notes:** Since we have an ongoing goal of product improvement, we reserve the right to improve or alter product design and specifications without notice.

**WARRANTIED PRODUCTS:** If you replace a defective breast form from your stock, remove the warranty card from the box before giving the replacement form to the customer. You will need to place the warranty card in the new form that you receive from NMT. NMT will not include a warranty card with the replacement form.

The customer's replacement form is under warranty only from the date of the originally purchased form.
